

## Useful Websites for KS1

**Numbots** - [NumBots | Motivational maths practice for schools and families.](https://numbots.com/)

Your child has a login for this online resource which is in the back of their reading record. This resource is fantastic for working on addition and subtraction skills and building your child's fluency in maths.

**Times Table Rock Star**- <https://ttrockstars.com/>

You have already received your child's username and password for this online resource. If you can no longer access it, please get in touch and we can let you know your child's details. (Year 1 children are not ready for this app yet but once they have a log in we will send it home). Year 2 log in is in the reading record.

**Oxford Owl**- [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)

Each class has a username and password to access free ebooks and activities linked to the books.

**Top Marks** -[www.topmarks.co.uk](http://www.topmarks.co.uk) -Interactive resources for maths, literacy, history, geography and many more.

**Phonics Play**- [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk)- Great website for children working on phonics and improving fluency when reading. This website has some free resources and some you have to pay for.
